Carparks at Changi Airport will be Converted to Electronic Parking Systems (EPS)

Payment at Changi Airport's carparks will be gradually converted to the electronic parking system (EPS), starting from 15 September 2004 . Parking charges remain unchanged.

The dates for the conversion to the electronic parking system are as follows :

Location	Dates
Car Park A at Terminal 1	15 September 2004
Car Park B at Terminal 2	1 October 2004
Car Park C at Terminal 2	15 October 2004

The company contracted to manage the new carpark system at Changi Airport is SembWaste Cleantech Pte Ltd.

With the change, carpark users will continue to pay the same parking charges:

Location	Parking Charges (Inclusive of GST)
Car Park A	<u>Motor-vehicles</u>
Car Park B	\$1 per half hour (between 7am and 12 midnight)
Car Park C	\$0.50 per half hour (between 12 midnight and 7am) Maximum charge of \$16.50 for every 24 hours or part thereof
	<u>Motorcycles</u>
	\$1.30 per day (between 7am and 10pm)
