PASSENGERS AT SINGAPORE CHANGI AIRPORT GO GAGA

Passengers at Singapore Changi Airport went wild when American dance-pop star Lady Gaga made a special appearance this afternoon. The exclusive meet-and-greet session at Terminal 2's Departure/Transit Mall gave fans the opportunity to walk away with photographs and autographs of the dance floor diva. Lady Gaga is in Singapore for a one-night-only concert at Fort Canning Park.

2 Lady Gaga's star has been on the rise since the release of her 2008 debut album, *The Fame*. Her star power was further boosted when her popular hit *Just Dance* garnered a nomination at the 51st Grammy Awards. Lady Gaga has since gone on to impress fans and audiences on her concert tour, *The Fame Ball Tour*. The multi-talented artist is also an accomplished songwriter who has written songs for several artists, including Britney Spears.

3 This rare opportunity to catch Lady Gaga in-person was made possible by Changi Airport Group and Changi Airport's meet-and-greet sessions with famous personalities. Previous celebrity sessions featured Air Supply, Mötley Crüe, Jay Chou, Bollywood superstars such as Shah Rukh Khan and Amitabh Bachchan and top golfers Annika Sorenstam and Lorena Ochoa. Changi Airport is the first airport in the world to organise such meet-and-greet sessions for travellers in transit.
