**JOIN IN THE CELEBRATIONS WITH CHANGI AIRPORT**

Changi Airport Group will be giving away a special S\$5 voucher to all passengers departing from Singapore Changi Airport for the month of July. This special treat for passengers is to celebrate the formation of the two new entities, the newly restructured Civil Aviation Authority of Singapore and airport company, Changi Airport Group, which grew from the corporatisation of Changi Airport and restructuring of CAAS.

2 The vouchers will be distributed to passengers over the check-in counters. The vouchers can be redeemed at shops (all retail, food & beverage and services outlets) in both the public areas and Departure/Transit Malls of the terminals.

3 On top of the S\$5 voucher giveaway, passengers who spend a minimum of \$77 by any means in a single receipt can take part in the Lucky 7 Jackpot game. Participants stand to win vouchers in denominations of 7 up to \$77. In addition, kiosks featuring items from different retailers have been set up to give passengers the flexibility to purchase various items from different shops at one kiosk.
